After a recent telephone conversation with the Application Help Center, they have indicated that no Submission of Missing Parts have been received from Applicant. Applicants are submitting their "official" Post Card Receipt for their Submission of Missing Parts that was originally mailed to the USPTO, US/RO, under Certificate of Mailing 37 CFR 1.8(A) on November 19, 2001. A Notification Of Missing Requirements from the USPTO dated November 7, 2001, is still marked as outstanding on this application according to the USPTO Palm System.

An early indication that the application is now proceeding to the Group for Examination would be greatly appreciated.
